Subject: Stormwater Checking Docs

Amanda - Per direction from Bob Wyatt (I hope he contacted you), here are my technical comments/questions for discussion on Tuesday - Please note that they are not all in the main discussion

document, but are also
in the attached spreadsheets, except for those for
check-in #4. There
are no comments on the figures; the comments for
these are included in
the text. Let me know when you would like to discuss
on Tuesday - I'm
busy between 9 and 12 and work between 7 and 3:30 -
we would have the
most time between 12:30 and 3:00, which I propose.
